Volunteer Management Boot Camp
February 1st 9:00am – Noon
Recruitment, Retention, Risks, Recognition, Orientation, Supervision and Evaluation!
Learn where to find volunteers, how to utilize their time and talents, how to recognize their efforts, and how to keep them actively affiliated with your organization for years to come! Our team has more than 20 years of experience in effectively engaging thousands of youth, families, adults, corporate groups, civic organizations, communities of faith, veterans and baby boomers in volunteering. Facilitators, nationally recognized for their success in volunteer resource management, will share tools and materials that you can implement immediately to create or expand your current volunteer initiative.

Grant Writing 101
February 1st 1:00pm - 4:00pm
This class will take the fear out of researching and submitting proposals!
This course has been developed for individuals who are responsible for seeking funding from local, regional, state, and national funders but may be overwhelmed with the process. Learn grant writing as an applicant and as a reviewer. Identifying Funding Sources, Recognizing the Power of Partnerships, Learning the Grant Writing Lingo, Communicating an Effective Statement of Need, Avoiding Mission Creep, Drafting a Proposal on Site, Integrating Award Winning Power Verbs into Proposals and Reviewing Real Proposals!
